SECTION I

NATIONAL AND LOCAL UNION ORGANIZATIONS

The following is an alphabetical list of all Unions serving the State of Kentucky. Below each Union Title a listing is shown of national, regional, and local officers, and a comparison of national and state membership and the number of locals. The locals listed are included as Kentucky locals for one of three reasons: the local office and and membership are in Kentucky; the membership of an out-of-state local includes Kentuckians; or an out-of-state local membership is employed by a Kentucky firm.

Each local entry provides the name, address and telephone of an officer designated to receive correspondence for the local and is marked with an asterisk(*). Other officers reported by the local are listed along with a telephone number. The lodge title or craft distinction where indicated are named in parenthesis following the local number. Membership totals and companies with which the local has contracts are listed after the officers.
